British Challenger Wins Two Races

No Breeze - No Race Today

The first of the series of races for the America's Cup sailed last Saturday could not be finished in the time limit and was declared no race. Monday, the British challenger Endeavour defeated the American defender Rainbow, and on Tuesday repeated for a second victory.

Today there was no race on account of lack of wind.

Possession of the cup is decided by the boat winning four races. With two victories already won, the British challenger has a fine chance of lifting the cup this year.

DANCE Sat. 22nd

Rain fell last Sunday for a precipitation of .45 inch and another .10 inch was added Tuesday, bringing the September total to .90 inch.

Frost has occurred each night this week and lower temperatures are looked for tonight. Threshing in the district is held up.

Wednesday, October 3, has been set as the opening day of the world's series of 1934. The first two games will be played at Detroit on October 3 and 4. Assuming the New York Giants will be the National League pennant winners, which seems reasonably sure, the next three games will be played in New York, October 5, 6 and 7. If further games are necessary they will be played in Detroit.

Look at the label on your paper!
